

Hello,

Is your organization interested in outreach to a diverse pool of qualified job candidates? At Wright State University, we believe in matching people with opportunity.

On **March 11, 2010**, Wright State University Career Services and the Office of Disability Services, in partnership with WrightChoice Inc., will host the targeted recruiting event, **EmployAbility Career and Internship Expo for People with disAbilities** - THINKAbility: Show Determination, Value Education, Take Action.

This event is offered in collaboration with Ohio Rehabilitation Services Commission, Social Security Administration, Sinclair Community College, University of Dayton, and Wright Patterson Air Force Base. **The event is a complimentary service to employers and students; there are no fees.**

Long celebrated as a leader in providing accessible education for students with disabilities, Wright State has become the institution of choice for many talented and determined candidates. Our students are earning four-year degrees in a variety of business, technical, arts, and science fields.

One of our goals with EmployAbility Expo is to connect our talented student population with co-ops, internships, and career employment. Another goal is to assist our employers in matching these qualified students to organizational needs for young professionals.

In addition, for the 2010 event, your company may also promote generalist positions. EmployAbility Expo and participating employers will be promoted on the Wright State Campus and through a variety of community service organizations that serve people with disabilities.

Booths for this event will be filled on a first come, first serve basis. Sign up via online registration. **Friday, February 26, 5:00 p.m., is the deadline for employer registration for EmployAbility Career and Internship Expo for People with disAbilities.**

To register, visit: <http://career.wright.edu/events/employabilityfair/employers/index.html>

In preparation for the event, if you have questions about interviewing, hiring, and working with people with disabilities, you may contact the event coordinator, Angela Bonza, WrightChoice, Inc. (Dayton office), in the Office of Disability Services, Wright State University, [employability@wright.edu](mailto:employability@wright.edu)

Thank you ,

Cheryl Krueger, Director Wright State University Career Services
